Safety & Security

EARTHQUAKE SAFETY

If you feel any shaking:

- Drop, cover and hold on: drop down to the floor as soon as you perceive an earthquake has started; drop down before the earthquake drops you down. Then seek shelter under a desk or table. Crouch down on your knees so that you can move with the table. Hold on to the table leg(s) so you can keep the table over you.
- If there is no nearby desk or table, sit on the floor against an inside wall, away from windows, tall furniture or bookcases. Draw up your knees, bend your head toward your knees. Protect your head and neck with your arms.
- Go outside once the shaking stops. Make sure you are wearing sturdy shoes before leaving the building. If possible take valuables and medications. Avoid touching downed power lines. If access to exit doors is blocked by earthquake damage, wait for a rescue team.

TSUNAMI SAFETY

If you are at the beach or near the ocean and you feel the ground shake or see rapidly rising or falling coastal water levels, move immediately to higher ground and stay there until local authorities say it is safe to return. DO NOT wait for a warning to be announced. If the tsunami is caused by a remote earthquake or volcanic eruption, you will be alerted by a siren, radio or television broadcasts, local first responders and/or an alarm at the hotel.

Often the first wave may not be the largest. The danger from a tsunami can last up to 12 hours after the arrival of the first wave. Tsunamis move faster than a person can run, and can be 30 feet high or higher; sometimes much higher. Never stay near shore to watch a tsunami come in.

DVD's are available to rent at the Front Desk for only \$2 per day and aren't due back until you check out the next day or until 3pm if you are staying over! Please return all discs to the office before you go. Lost or damaged movies will be billed at \$15 each. We also have microwave popcorn, candy, and chips available to purchase when you come pick up your movie. Vending machines are on the East end of each building, and while the Mini Golf club house is open, you will find more beverages, snacks, as well as warm soft pretzels, mini pizzas, corn dogs, and ice cream to take back to your room to enjoy during your movie!

If you don't find a movie here you like, Fig's movie rentals is located in the Company Store on Main Street or RedBox which is located inside Safeway, or outside the Rite Aid, also on Main Street here in Fort Bragg!
